This "mystical poetry" is imbued with the pathos of repentance and striving for happiness. This is also indicated by the title of the book. In Russia, for the first time, the book of Omar-Khayyam was published in 1751 in a translation into Russian. Download free book of poetry Ancient Egypt in zip format in DjVu format online. In the Egyptian civilization, there were many monuments of mythology. For many people, the Ancient East was embodied in the form of powerful pharaohs and mysterious priests. At the same time, for thousands of years Egypt remained a country that lived by its own laws. And despite this, written sources contain all the new historical information about the life and way of life of the Egyptians. The oldest Egyptian papyri, containing chronicle evidence of history, mainly belong to the era of the Old Kingdom and 2-3 thousand years BC. The second important stage in the history of Ancient Egypt is the era of the Middle and New Kingdoms. The third period of the history of the Old Kingdom (c. 1500-1185 BC) is represented by the most significant cultural development. At this time, majestic pyramids and temples, lost in our time, were built, significant libraries were located. During the period of the Old Kingdoms, the cult of animals, so characteristic of the archaic era, was gradually eliminated, new forms of management were formed, and urban culture began to develop. The period of the New Kingdom (1185-1375 AD) is characterized by the activities of the high priests, the desire of the reigning dynasty for secular state interests, the construction of grandiose Egyptian structures, the creation and dissemination of cult dogmas and elements of a new religion - Islam, the spread and maintenance of religion in a wide circles of society. In the Middle Age
