FIFA is the best-selling sports videogame in the world, and one of the most popular sports videogames of all time. With more than 400 million players in over 100 countries and territories, FIFA has been synonymous with football, the beautiful game that brings so many people together worldwide. Why EA SPORTS FIFA? EA SPORTS FIFA is the official videogame of FIFA. With its revolutionary engine and acclaimed gameplay, FIFA continues to delight fans of football across the globe. FIFA is the most authentic football game on the market and an amazing value. Since its release, the game has sold more than 110 million units worldwide. EA SPORTS FIFA 22 launches on Xbox One, PlayStation 4 and PC on September 14, 2015. The Windows edition will be available at retailers across the United States and Canada on August 24. New Features Comeback Mode Experience the intensity of real-life comeback moments in FIFA 22 with a whole new way to play. During a short video montage, the player can

observe a specific action as it unfolds in real-time, providing the opportunity to influence a comeback or assist an opponent with their personal comeback style. Players can unlock video content by progressing through the game and can, for example, complete a match and then replay the final moments of the match to relive their personal comeback moments. Pass Smart Control Rely on Pass Smart Control to intelligently and dynamically manage your squad throughout the match. The new Control Scheme, as shown in the image above, allows players to move around more fluidly with the ball than ever before. Players also have more options when using the ball, such as low-bouncing passes, through balls and more. Counter-Strike Counter-Strike - a feature first introduced in FIFA 15 - returns and takes center stage in FIFA 22. You can now do it all in Counter-Strike: high-speed dribbling, double tackles, targeted shots, headers, shots with speed and more, everything you do and see in Counter-Strike. Crowd AI Crowds are the heart and soul of football -

and FIFA 22 ensures you'll feel every moment of the game through the voices of the crowd. New to FIFA 22, the crowd reacts to various events, from players getting cards, to fouls and more. Crowds are more visible and can be heard in the stadium, and more of them react as you
